

Technical Tour - Invitation

WHEN: Tuesday, May 17, 2022

TIME: 11:30 am, tour starts at 12:00 pm

WHERE: 10805 Lang Street, Anchorage, AK 99645 (*located next to AS&G*)

Please join **Granite Construction Company** on May 17th, as we host a **Technical Tour** of our Anchorage Hot Plant for the ASCE Anchorage Branch. The tour will begin with a short explanation of the plant, followed by a walking tour of the facility. We anticipate that the plant will be operating for commercial sales at the time of the tour, so PPE will be required.

- **Hard Hat**
- **Safety Glasses**
- **High Visibility Vest**
- **Gloves**
- **Appropriate Footwear**

Please park on either side of Lang Street, as far off the pavement as possible, to allow for unimpeded truck traffic. Granite will have PPE available to borrow if needed.
